Mex-Primero Meeting Planner specializes in the planning, logistics and coordination of professional conferences, large business meetings, conventions, and exhibitions.

Or, if you want to coordinate a big family reunion, take a group trip with friends, have a dream wedding or celebrate an anniversary, Mex-Primero Meeting Planner can help.

Don't worry about a thing!

**Meeting Planner Mexico** will assist with all details of your big event.

We provide a wide range of high-technology products and professional personnel to ensure the quality and success of your event.

### Logistics

We will manage and coordinate every aspect of your event from start to finish. We are committed to satisfy the special needs of every client.

### Production & Design

In this global age, professionals and corporations have a greater need for technological services. We meet this challenge by providing the best high-technology production equipment. We provide simultaneous translation services, audio, and video recording.

### Hotel & Hospitality Desk

We will assist you with all hotel arrangements and provide a Hospitality Desk and personnel to greet the group, give out information, and resolve issues.

### Airline Tickets & Ground Transportation

We can arrange for airline flights from Canada, the USA, or Mexico. We provide transport services from the airport, transportation to your events in various venues, plus tours in each city.

### Promotional Items & Give-Aways

We support sustainable development and conservation. We work with local artisans to develop and offer a variety of promotional items and gifts for your guests, who will enjoy the pleasure of supporting the community that they visit.

### Activities & Tours

We have special tours and activities for your participants and/or their travel companions. You can arrange for tours to enjoy the wonders, culture, and the people of Mexico
